

The family table

Kids included. Playful, and safe for every age around the table.

HOW IT GOES

- Light the candle. Phones away. Pick the set that fits your table.
- Take turns reading a question aloud. Answer, or pass — no one is pressed, no one is cross-examined.
- Work down the list at your own pace; the lighter questions come first.
- When someone is ready to end the evening, they call the last question — always the same one.
- Everyone answers, and you blow the candle out together.
- Tomorrow night, light it again and carry on where you left off.
